

## IBM RemixIT Terms of Use

Welcome to IBM RemixIT Campaign, an open community facilitated by IBM on its ibm.com Web site (this "Site"). These Terms of Use ("TOU's") are a legally binding agreement between the participant ("You") and IBM. If You are accepting these terms on behalf of a company or other entity, You agree that You are authorized to do so.

IBM provides access to the Site at no charge. Any music samples, videos, files, Inputs, comments, other materials and any combinations of the foregoing ("Materials") on this Site do not necessarily represent the views of IBM. For purposes of this Agreement, Inputs shall mean those individual .wav files as originally presented by IBM and made available on the Site. Combinations of Inputs shall be considered music samples.

In the spirit of an "open community," any Materials (including the underlying ideas) on this Site will be non-confidential. Anyone is free to use the information and Material and to copy, distribute, display and make derivative works of the information. Anyone is also free to disclose the information to anyone else. The purpose of this Site is to allow You to access the Inputs from the RemixIT campaign for your personal, non-commercial use. Anyone is free to copy, distribute, display and make derivative works of the Material. While you may remix the Inputs, you may not rename it in any manner.

Anyone is free to disclose the Material on this Site to anyone else and is free to make, use, sell or offer for sale products or services embodying the information and ideas provided, without obligation of royalties or other payment.

Personal information You submit to this Web site will not be released or otherwise publicized except under the terms stated in this Web Site's privacy policy. For additional information concerning this Site's Privacy policy, as seen in the attached link. For avoidance of doubt, IBM does not grant YOU the right to represent that any of the Materials on this Site represent IBM's view or that IBM endorses your combination of Inputs from the Site.

You are solely responsible for determining the appropriateness of the Site for Your purpose, and assume all risks associated with its use. Neither IBM nor its suppliers are responsible for the accuracy, completeness, timeliness, reliability, content or availability of the Site or results from it.
